

Cambium Learning

Building access to knowledge that allows people around the world the opportunity to learn how to install, configure, maintain and optimize their Cambium Networks Solution.

ACCESS TO KNOWLEDGE WHERE AND WHEN YOU WANT IT THROUGH LIVE WEBINARS, ONLINE LEARNING AND INTERACTIVE INSTRUCTOR-LED CLASSES.

ONLINE COURSES

- PTP 670: Solution Overview
- PTP 670: High Capacity Multipoint (HCMP) Overview
- PTP 670: Planning PTP 670 networks
- PTP 670: RF Technology Principles
- PTP 670: Unboxing and Installation
- PTP 650 to 670 Compatibility

VIRTUAL AND INSTRUCTOR-LED CLASSES

Interact with other professionals and gain insight from our Certified PTP 670 Instructors, each with years of real life experiences, as you learn how to install and configure Cambium Network PTP 670 solution. All classes involve industry concepts, scenario based applications, hands-on labs and a final certification exam. All sessions are offered through our Certified Training Partners. You can view available class sessions offered around the world at: <https://learning.cambiumnetworks.com>

VIRTUAL WEBINARS

Discover ideas, tips and techniques, and insights that will help you improve your PTP 670 skills, develop new expertise, and stay on the cutting edge of knowledge to maximize your Cambium Networks PTP 670 solution investment by participating in our live Webinars.

CERTIFICATION

Validate your knowledge and become a Cambium Certified PTP 670 Administrator.

We offer an PTP 670 certification exam providing an opportunity through an online testing experience for you to validate your knowledge and become Cambium PTP 670 certified.

Certifications must stay current with updated courses and training.
